

EV EXTENDED WARRANTY– TERMS & CONDITIONS

WARRANTY EXTENSION

Extended Warranty Program (hereinafter referred to as “Program”) provides extended warranty coverage similar to vehicle standard warranty with a few exclusions (hereinafter referred to as “Extended Warranty” or “EW”). This Program starts after expiry of vehicle standard warranty. For product detail (Year and Km) please refer the Certificate of Enrollment.

The Program is a contract made between an Stellantis Authorized Dealer and the owner of the vehicle.

The Program covers repair or replacement of certain parts, if found faulty during the Program validity period, subject to terms and conditions hereinafter mentioned. Irrespective of whatever written under the Certificate of Enrolment and/or the terms and conditions mentioned herein, in no case the Program shall cover the parts which are subject to wear and tear due to vehicle operation and any damage due to accident.

ROADSIDE ASSISTANCE (RSA)

The owner of the vehicle who subscribes to the Program is entitled to RSA services. The terms and conditions of RSA mentioned in 24x7 Roadside Assistance booklet shall be applicable.

PROGRAM ELIGIBILITY

- EW PROGRAM can be purchased within vehicle standard warranty period from date of sale of the Vehicle
- Subscribers need to check with Selling dealer whether his or her vehicle meeting the eligibility criteria to purchase EW program

TENURE OF THE PROGRAM

The program shall stand terminated at the end of the below periods (whichever is earlier)

- At the end of the duration that has been subscribed to by the Customer at time of purchase of new Vehicle. The duration shall be counted from the date of delivery of the new Vehicle or
- The Odometer reading that has been subscribed to is reached. The vehicle Odometer reading will be considered for this purpose.
- The duration and Odometer reading chosen by the Subscriber are indicated on the EW PROGRAM Certificate as chosen by the Subscriber from the options indicated on the price list in force on the day of subscription.
- Program coverage will be effective after expiry of the basic standard warranty of the vehicle.

GENERAL TERMS AND CONDITIONS

- Program coverage will remain valid subject to the vehicle being serviced at recommended service intervals at Stellantis authorized workshops as per the service schedule defined in the Owner's Manual.
- Under certain circumstances wherein it may be required to carry out technical analysis to ascertain root cause of problem or survey to ascertain cost estimates, there would be some waiting period before the repair is approved.
- EW coverage is transferable to the subsequent owner. The unexpired portion of the coverage period will be transferred to the new owner, subject to the new owner submitting his contact details along with a copy of new registration certificate issued to him.
- Defect which is likely to have existed prior to the commencement of EW, respective Dealer will inform the Customer in writing while entering into this EW and retain a copy of the same.
- Local charges and taxes shall be levied in invoices as per applicable government and local authority guidelines.

EXTENDED WARRANTY PROGRAM COVERAGE

The Program will cover the following parts:

EV Aggregate Parts:

Traction Motor*, PDU Assembly, Battery pack* (high voltage) including battery management system, battery cooling system, Vehicle Control Unit (VCU), Motor Control unit (MCU), High voltage wiring harness, Vacuum Pump, Converter

*Applicable for certain EW products, Refer product details properly

Manual Transmission: All internal components, including

Gear box Housing, Gears, Shafts, Synchromesh Hubs and Rings, Selectors, Selector mechanism, Bearings, Transfer Gears, Gear Box Oil Seal, Drive Shaft Seal, Drive shafts, PTO, Differential assemblies, RDM, Propeller shaft & Rear Axle, clutch master cylinder, clutch slave cylinder.

Automatic Transmission: All internal components, including

Shafts, Gears, Brake bands, Oil Pump, Bearings and Bushes, Valve body, Drive Plate, Transmission Gears. Mechatronics control module, Dual mass flywheel, Dual dry clutch, transmission seals.

Suspension and Steering:

Electrical power steering (EPS), Rack & Pinion, Steering Column, Steering Box, Power Steering Pump, Reservoir, Swinging arm, Link Rod, Stabilizer bar, Prop lift gate & Power steering pressure pipes, hub assemblies.

Braking System:

Master Cylinder, Brake Booster, Vacuum Pump, ABS Modules, ABS Sensors, Wheel Hub. Brake system sensors, calipers, rear parking brake Electrical actuators.

Air Conditioning & Cooling system:

Radiator, Compressor, Condenser, Evaporator Reservoir, Receiver Drier, Thermostat Switch & Fan Motor, Heater Core, AC Switch, AC Blower, AC Pipes, Water Pump, HVAC Module & Integrate Central stack, HVAC Control Unit, Cooling fan, Heater core. HVAC Control panel.

Electrical System:

Starter Motor and Solenoid Switch, Alternator, Rectifier, Wiring Harness (except for external damages), Regulator, Ignition Coil, Cooling Fan Motor, Power Window Switches & Motors, Combination Switch, Electronic steering lock (Ignition Switch), Relay, Reverse Parking Camera, Thermostat Switch, Speedometer, Oil Pressure Switch, Horns, FOB Key, BCM, DTCM, Mode selection switch, selector switch, Entire sensors, Entire Control Modules, Electric lock, Power distribution center, Headlight, Taillight & Fog light (HID & Bi Xenon).

Infotainment & Instrument Cluster:

Audio Infotainment System, Instrument Cluster, Temperature Gauge, Fuel Gauge, Radio Frequency Hub, Bluetooth box, Rear view camera

Oil and Consumables:

- All oils and consumables (lubricating oils, coolants, brake oil, battery electrolyte, AC gas oil) will be covered if required / necessitated to be replaced in connection with the replacement of a part falling
- Repair requiring due to oil seepage will be covered including the consequential parts. – Any failure happened due to negligence / abuse shall not be covered.

EXTENDED WARRANTY PROGRAM NON-COVERAGE

- Any loss or damage to OE components like lead acid battery, tyres & wheel rim.
